

E4H

E4H stands for Equip for Harvest. You and your leadership team will come away from this training experience better equipped to serve and lead your church as workers in God's harvest fields.

Explore crucial questions like:

- What is the church?
- What needs to be in place for health and growth?
- What direction is your church going, and who's steering it?
- How will the Great Commission work in your church?
- How can church planting work in your church?

Monday-Wednesday

E4H Launch Countdown:

- Why should you plant a church? What does it take to be the leader of a church planting team?
- What are the building blocks (DNA) of your church plant?
- What needs to go into the support foundation for your new church?
- What neighbourhood are you trying to reach?
- How do you grow your new church through disciple-making?
- How do you launch a new church?

Saturday Session

Saturday is an integrated part of the E4H experience, but it's also designed as a standalone event.

We are convinced that, if you go to this E4H one-day experience, your church will gain a new focus, vision and strategy for winning the lost and making disciples.

Plus, you will gain a new knowledge of church planting that you can apply in your unique ministry setting.

Cost to attend Saturday only:

\$40

(includes lunch, snacks & resources)

Sunday Session

It is expected that those who register for the whole E4H 5-Day training will be free to visit a selected church plant on Sunday morning.

The goal is to experience and report back on their observations on Sunday evening.

All the participants will then re-gather for a "campfire" experience and training from 4:00pm – 8:00pm at the Ft. Langley Evangelical Free Church located at 8870 Glover RD., Ft. Langley, BC.

Cost for entire E4H 5-Day Training:

\$199

(includes 2 meals, snacks & resources)

(For ACTS/TWS students, the cost for E4H is \$40 total!)

Meet Your Trainers

Dr. Charlie Worley is the Church Planting Catalyst for the EFC of Canada. With over 37 years of ministry experience, most of it in church planting leadership, he brings much wisdom and knowledge about new and existing church leadership to the #E4H experience. He loves to coach and train church planters, pastors and leaders.

Pastor Lorin Bergen is the Lead Pastor of the Ft. Langley EFC, and former church planter. Lorin has a heart for church planters and is a gifted encourager and communicator.

Dr. Ray Chang is the Lead Pastor of Ambassador Church (Evangelical Free) in Brea, California, and Founder and Team Leader of the Ambassador Network, a growing network of church plants that value multi-cultural and missional ministry, and the multiplication of churches.

E4H is all about helping church planters, pastors and church leaders discover or re-discover what God has called their church to do...and do it!
