

*Our LPD: "By God's grace, we are committed to encourage and resource our growing family of churches to reflect Jesus Christ."*

June 19, 2015

Good Friday morning friends, Thanks for joining me for five minutes to update you on items of prayer and praise for our Lower Pacific District family.

**What's God Up To In Our LPD Family? - this week from Sointula Community Church.** (Pastor Ben (Anna) Crumback). Janet used to describe herself as someone who always "struggled with the idea of God", and although she had wrestled with the reality of God in the past, she always came up empty. One day she decided to attend Bible study with a good friend of hers, and her life began to change. After attending study for a number of weeks, Janet began venturing out to Sunday morning services as well. Eventually Janet made a decision and one day at Bible study she prayed to accept Christ as her Savior!

Over the next few months Janet began bringing some of the other ladies from her housing complex to church on a regular basis, and then Janet chose to take another big step - in front of her church family, many friends, and every single lady from her housing complex, Janet made public her commitment to Christ through baptism!

It has been so exciting to see God's hand at work in Janet's life, and we look forward to seeing what He has in store for Janet and so many others on our little island!
